Also, plan for your Food Handler Certificate training and allow for enough time to get the Balboa Park on time.

Please, registering for a free Food Handlers Permit class at the Hall of Nations. Below is the instructions, date & time for the class.

A Food Handler Training to secure the required Food Handler Certificate for all volunteers handling food at the booths during December Nights will be held on Thursday, November 14, 2013 from 5:00 PM–6:00 PM in the Hall of Nations next to La Casita. The training is free. Please advise all of your volunteers participating in the 2013 December Nights event to get Food Handler Permit. A requirement this year from the County of San Diego health Department is that ALL persons handling food MUST have a valid Food Handler Certificate.

Your cooperation to meet this requirement is greatly appreciated. Please keep in mind that the Health Department will be checking for this requirement. Volunteers handling food at your food booth without a Food Handler Permit will be asked to leave the food handling area. Please come to for the Free Food Handlers Training to avoid any unpleasant issues.

Last thing I need (Volunteers) to make rice. If you can please contact me via email please.

Thank you very much for you support!

Regards,
Anthony Flores
Vice-President, HPRSD
