HPRSD Scholarship Committee's Mission Statement:
"The House of Puerto Rico, San Diego is dedicated to motivating, supporting, and empowering our community via education and community service."

The Committee ranks applications by scoring each candidate in five areas:

1. **NEED:** One of the priorities for the committee is to open doors of opportunity to individuals who might otherwise not have this support, in order to make their contribution to community improvement and society as a whole. Although all areas are given equal value, in the event of a tie, this area is given more weight.
2. **GOAL:** The clarity and focus of the individual's educational/vocational goals are reviewed. The committee also wants to know what the individual will do upon completion of his/her education and how will it contribute to society as a whole
3. **MOTIVATION:** This area refers to the individual's drive and commitment toward attaining his/her goal.
4. **APPLICATION:** The application must be complete and contain all the criteria stated above.
5. **CONTRIBUTION:** The Committee wants to know the applicants intended contribution to community service through the San Diego House of Puerto Rico. For a previous winner applying, the committee evaluates their follow through on their stated intent.

The monies will be paid to the individual(s) or to their educational institution(s) on behalf of the recipient upon fulfillment of all specified requirements.

The House of Puerto Rico San Diego Scholarship will be awarded based on all previously mentioned areas.

The individual's employment status, available family income/support, and/or other financial assistance at their disposal (i.e. other grants, fellowships, and scholarships) determine financial need.

All applications must be postmarked by July 31, 2014. Selected applicants will be invited to attend an interview during the month of August.
